25 years and still going strong

STRAND HARDWARE
25TH
ANNIVERSARY

We can hardly believe that Strand Hardware Ltd is in its 25th year. Jonathan Franks started the company back in 1991 after his successful career with Hope Works Ltd. The company has grown every year since then. Sadly Jonathan died in 2013 but his daughter Catherine and Sales Director, Craig Fox, and the rest of the team continue to run the business based on the strong morals and family values that he put in place.

We will be celebrating later this year and although we cannot invite everyone to join us personally, we will be sharing some anniversary goodies.
Thank you to everyone who has supported us
